

AMENDMENTS TO THE SPECIFICATION:

Please delete the text in the header of page 1 of the specification that states
"ATTORNEY DOCKET NC 17524 PATENT"

Please replace the text on page 1, beneath the title, that states:

CROSS -REFERENCE TO RELATED APPLICATIONS

The present application claims the priority of provisional patent application,
Serial No. _____, filed on _____, 2001.

The present invention relates generally to a manner by which to facilitate communication of data upon a communication channel susceptible to fading, such as a communication channel used during operation of a cellular, or other, radio communication system. More particularly, the present invention relates to apparatus, and an associated method, by which to encode data to form a codeword of a systematic, recursive, space-time code. The codeword exhibits characteristics which
